Subject: Twin Peaks: Fire Walk With Me Posted by brain_states on Thu, 01 Sep 2005 15:54:10 GMT View Forum Message <> Reply to Message

This is a prequel to the David Lynch T.V. seris Twin Peaks. Its The Odd Lynch style I've come to cherish, It tells the Story of Laura the week before shes murdered, starting the T.V. seris. Again another fairly "graphic" moive. But very different from the main stream movies.
