Wayne,

I am so sorry for the loss of your wonderful Father that I know you loved dearly. I lost my Father in 1997 after many years of suffering from a heart disease.

I am happy that your Father passed quickly and did not have long suffering.

I hold on to the hope that I will be reunited with my Father some day.

Until then, I keep trying to live life like I mean it. And cherish all of the important lessons that he taught me along the way.

We have our memories.

Love

Norris
