Subject: Zelig Posted by Manualblock on Sun, 18 Sep 2005 14:02:57 GMT View Forum Message <> Reply to Message

I can't write; my stomach hurts from laughing. The world is searching for Zelig when someone spy's a suspicious face in a newsreel; a small face peeking out from behind Adolf Hitler giving a speech to the masses. And as they pan in for a closer look it is Woody, hiding behind Hitler. His face is superimposed on the 1930's newsreel. What a riot.
