Yeah, that's what I thought too. I enjoyed the movie, it was decent, but I guess I find the whole concept of the "Fantastic 4" to be, well, stupid. The rubber band man is a joke, not a superhero. And while Alba is a very attractive girl, she didn't work in this role. Liked her better in Sin City. Now that I think about it, that's the perfect role for her. Sweet little girl next door turned stripper.
