I'm watching Spike's movie and the scene where Malcom is riding in the car to his death they played Sam Cook's "Change Is Gonna Come". I had to go dig out the album and play that song again.Jesus that guy can sing a song.I don't see much mention of the good sound; Soul R&B is the foundation of all current pop music; what; did everyone forget?All kinds of get-up about that elevator Jazz; where's the music man?Otis Clay Shuggie OtisSam&Dave Sly StoneJames B.Temptations."Papa Was A Rollin' Stone."Marvin Gaye,"Troubleman."Sam Cook and the Soul StirrersThe Staple SingersIssac Hayes,"Walk On By."Oooh; gotta go put on some music....
