Sadie wrote on Sun, 21 February 2010 11:06I have to agree with Wayne about the Willy Wonka thing. Remaking that movie was almost criminal. I don't think anybody could ever compare to Gene Wilder in that role.

It's a shame but I have to admit that I haven't watched the original Willy Wonka with Gene Wilder. Willy Wonka starring Johnny Depp looks great and I like the movie. Did Gene Wilder really perform much better than Johnny Depp did?
