While waiting for the CD I have been listening to some of the examples of his speeches on the net. Very interesting; lacking the usual tone and stridency of many of the contemporaries. Off topic but Gregory Corso passed away last week. A true primer for the beats and a great street poet. That got me thinking about the beat influence on culture and how the renaissance is due. "There is no tell throughout, The ages, That a messenger-spirit, Ever stumbled into darkness." Gregory Corso
