Subject: Re: HDMI Through Composite Posted by Dizzy on Mon, 24 May 2010 12:54:37 GMT View Forum Message <> Reply to Message

Dear me that's expensive. How is the video output any different, and why is it that you cannot just play back HDMI on a normal tv but accepting that you will lose the resolution?

And no, I have a lot of equipment that uses that set, which is a big screen TV for a tube. Not that old either, sad really.
