One place you might want to check is at a local pawn shop. Although this isn't online shopping, you would save on the shipping and handling fees. My son is almost 16 and has been playing guitar since he was 12. For his 15th birthday we found him a very nice electric guitar at a pawn shop here in our hometown. However, if you don't find what you are looking for at a pawn shop, you can go to musiciansfriend.com. This website carries a wide variety of very nice guitars, amps, and many other instruments too.
