I was archiving the LSAF 2010 photos and making a "Previous Shows" link with them last night. That means it's time to pick a date for next year's show.

I've received a lot of E-mails about LSAF 2010, and everyone liked the date this year. So it would seem a good weekend to do it again next year - May 13-15, 2011. Any objections?
