Subject: Gary Coleman Dead At 42 Posted by Mavare on Sat, 29 May 2010 02:49:19 GMT View Forum Message <> Reply to Message

Gary Coleman passed away today from a brain hemorrhage. He fell and evidently suffered head injuries from the fall. I hate to hear this. I really enjoyed "Different Strokes" when it was on TV. I'm afraid I didn't enjoy it so much in reruns when I got older though.
