Did anyone see those crazy pictures of that massive sinkhole in Guatemala? At first I thought they were fake but then I found out that it was true! Here's the link if you haven't seen yet.

<http://news.nationalgeographic.com/news/2010/06/100601-sinkhole-in-guatemala-2010-world-science/> It's amazing that no one was seriously hurt from this. If it gets any bigger it will be sure to swallow up the surrounding buildings.
