TLC123 wrote on Fri, 14 May 2010 21:44Is blu ray really worth the money? Can you tell the difference in the picture compared to a regular dvd picture? I don't want to spend the money if the dvd picture is just a good.

Blu ray is rather expensive but it is expected to fall in prices rather rapidly and soon replace normal DVDs. You can tell the difference in quality if your TV or screen supports the resolution. So maybe it is better to focus on getting a good screen/TV first. Hope this helps.
