soundman wrote on Thu, 12 August 2010 00:50I've never really liked 80s music. I think 80s music became old in the mid 90s. I think all 80s music should be banned and those who listen to it should be pelted with wet sponges

Hahahhaa, post of the week I think. So do share which era/genre meets with your satisfaction. I would have to go with the 70s, for no other reason than liking the simpleness of it all.
