Wonderwooll wrote on Fri, 01 October 2010 21:38!m all for the right to make a room look good, but the sound and technicals in general have to be first! In order of priority I think about how somethings looks, how it sounds, vision, lighting, comfort.

I so agree! After setting up your sound system, you then decorate the rest of the room. It makes it a lot easier, and you don't have to move things around to re-wire, etc....
