Wonderwooll wrote on Sat, 23 October 2010 08:53I didn't even realise that this had happened. I hope it's an annual thing as I'd love to make it next year. Meanwhile the DVD will have to suffice.

So far it's been an every other year event. Clapton said this one would be his last, but at the end he hinted he just might have to do another. I was really surprised we got tickets. It was just luck.
