Yeah, I heard through the grapevine that Steve Brown accepted a position in Portland. I am happy for him but sad for all of us in Tulsa.

What's even more of a bummer is we really never got a chance to get things together while he was here. After little Eddie was born, I have had very little free time. Seems like the rest of Tulsa has been kind of sleepy too, because we haven't had many audio get-togethers at all. So we just didn't get the chance I would have liked.
