Subject: Inexpensive Voice Microphone advice needed Posted by Joelle on Mon, 15 Nov 2010 16:12:52 GMT View Forum Message <> Reply to Message

Can anyone recommend a speech recoding microphone? I want to record people speaking in real situations cafés, marketplaces, restaurants with a view to creating language learning materials. I don't have a huge budget as this is a community funded project aimed at helping lower income immigrants into France (from Algeria and Romania mainly) get to grips with the language.
