What i have heard gm doing pretty good . Going too pay back 50 billion it borrowed from us. Lot of good stock options if you have enough money to buy enough worth while. That is my problem takes money to make money. I have talked with people that has money,
All said unless you have someone too back you, or born with some out of luck. If you start a buisness borrow money if it goes sour
Not your money banks, money . I have a small business figured along time ago it will always be small tax , tax ,tax . Well thats all i got to say about that wisdom words of forest gump.
