It's a Beautifull Day- It's a Beautifull Day. Yep, the album and band have the same name; White Bird, good old Pscycedelic stuff.Songs From A Room-Leonard Cohen, Bird On A Wire. Corny but nice.Gonna Take A Miracle- Laura Nyro and Labelle, Killer verion of Spanish HarlemRomantic Warrior- Return To Forever/Chick Corea. Stanley Clarke/Lenny White/Al Dimeola. What else is there to say.Still Feel Gone and March 16-20 1992- Uncle Tupelo. Try Coalminers; real earthy.After Hours At The London House- Sarah Vaughn. Speak Low is a female singer singing jazz.Lot of upbeat stuff this week; good roots rock and some diversions like White Bird for giggles. Forgot how good Tupelo is; I need to play this more often. It's good adult type alt rock. Nice to relax with Sarah, reintegrate the vocal neural memory. Listen to this and the new stuff sounds like TV commercials.
