Hi Guys, Pretty soon those of us who ride will be up & out there again. Just for the hell of it, I started looking for songs about riding. So far, I have only found a couple that mention riding. So what are your choices for biker music? I found out that "Born to be Wild" really isn't about motorcycles. So far there are Arlo Guthrie "Motorcycle Song" and Creedence Clearwater Revival "Sweet Hitchhiker". Take care, Steve
