woodfree wrote on Sat, 11 December 2010 00:53I love Christmas movies! Just great to watch... even if it's not Christmas!

If you guys have time, I recommend you watch "The Family Man". It stars Nicolas Cage and Tea Leoni. This has entered my favorites list recently! I'm surprised I only got to watch it this year...

It's nice to see so many people enjoy the xmas movie thing. I have not seen The Family Man but checked out the link. It looks good but seems to be more for an adult audience, am I right?
