I feel better now that somebody has said it too. Still, The Pistols and the Great rock N Roll Swindle and allthat were important... just not much musically. And for longevity, far as I know the DK's are still holding uppretty well as is the fanzine Maximum Rock N Roll. Aside from The AntiNowehere league and maybe an act like the Vandals ("peace through Vandalism) Ihave not got the respect for Britpunk that I do for Orange County and the Boston scene.
