Subject: Did You Watch the Grammy's?

What did you think of the Grammy's last night? I rarely watch these shows but I caught a few clips of this one. Actually was surprised that Lady Antebellum won 5 Grammys. I was glad to see that 'Need You Now' got Record of the Year. I think that song has been playing over a year now. I also think it will be pretty hard for the group to follow-up with another great song after that one.
