falloutgirl wrote on Sat, 05 February 2011 14:35I really enjoy watching musical movies especially since I can't really go and watch them live :/

Most high schools put on at least one musical a year, as do community theaters, even in fairly small towns. If you are near a larger town or city they probably offer live theater with a regular season of programming, which would include musicals along with classics, mysteries and, often, locally written works as well.
