What is your vote for the worst movie you've ever seen? There are some movies that I don't care for and won't watch, but I remember paying to see 'Accidental Tourist' and then had to walk out because it was so BAD! It had a very slow start and I would compare the beginning to someone talking about brushing their teeth --- totally uneventful, and who cares? The movie had good reviews, but I couldn't watch after the first 15 minutes because it was like talking about cereal.
