Subject: Re: Suddenly liking music you hated.... Posted by GoodVibrations on Sat, 26 Feb 2011 02:16:10 GMT View Forum Message <> Reply to Message

Yep, I must say that happened with me and Country Music. When I was a teenager, I NEVER thought I would like country music because it was just too twangy. I was a rock fan from the beginning! But then I met my future husband who listened to country music ALL the time and I was eventually won over.
