I agree with you about the A&E network, though I don't particularly like "Hoarders" or "Intervention". I also like the History Channel and Discovery.

There are a handful of series I'm really into. I like "Mad Men" on AMC quite a bit. I also like the new NBC series called "The Cape".

Not big on watching all the ills of humanity. Don't care much for "reality TV" either (like any of that is anything close to reality).
