Second prize is 2.....Cuppla weeks ago someone, somewhere rhapsodized about Jane. I have her Come Dream With Me CD for a long time, relegated to a dusty shelf. So last nite I get it down for a second listen and press "spin".Right the first time. She really is terrible. Slides up to notes and then flats them. Breathy. Weak on the 'ole intervals.Can you say "Ted Mack?"You've been warned!
