Subject: Re: Living the Dream - I have a jukebox! Posted by woofer on Sun, 06 Mar 2011 18:10:55 GMT View Forum Message <> Reply to Message

Congratulations! I've been wanting to find an older jukebox, preferably from the 50s, for a corner of my game room. It would be nice to have a working model, but honestly, I want it just because it would look awesome in the room. The hard part will be finding one, of course.
