Subject: Re: Live or Recorded? Posted by iDummy on Tue, 29 Mar 2011 02:24:08 GMT View Forum Message <> Reply to Message

I rather listen to the recorded music. I agree with Scoot and Adveser. I can't control the noise level around me and all the other inconveniences. Besides, have you tried going to a concert lately. They are getting more expensive by the minute. I rather stay home and "chilax".
