But I just finished cleaning 2 sealed treasures: Count Basie and Jimmy Rushing; Dizzy Gillespie the Sonny Stitt/Sonny Rollins Sessions. The only new new records I've bought lately are a disappointing Classic Saint-Saens 3 (noisy) and the 2 Rounder Label Alison Krause: Dynamite. The \$90 price tag, however represents 12 or 15 from a record show. Or a pair of Sylvania 5751's for my Cornet phono stage.
