LSAF is an annual event for a closely knit family, a family gathering. It is easy for all of us involved to let our family and friends know about the virtues of LSAF and all that it has to offer.

So, lets get the word out in every way that we have available.  
Time is short before the show begins.

I am looking forward to seeing the family this year.  
And meeting new family members that will be making the show for the first time.

After all, it is the people that make this show what it is.

Still having fun in audio after thirty years in the hobby.
