Dratz! Well, I'll get to see them pretty soon.

That Duke is always coming out with new cool models!

Makes me feel like a fuddy duddy - All my stuff stays the same, my loudspeaker line is like a zillion years old. I mean, I wouldn't change anything but still, Duke always has something new and he picks the coolest names for them too! (And they're always done right)

Just a few more weeks... Can't wait!
