Are you as excited as I am about the upcoming Summer movie season? There are a ton of them coming out. A lot of them are sequels, but there are a new ones too. Here are the ones I am looking forward to:

Priest (another vampire movie) Pirates of the Caribbean: On Stranger Tides Hangover II X-Men: First Class Cars 2 Smurfs Don't be afraid of the Dark Rise of the Planet of the Apes

I better stop because the list is so long, I might have to get a part time just to be able to go to the movies.
