Subject: Binding posts? Posted by justphil on Fri, 06 May 2011 13:07:09 GMT View Forum Message <> Reply to Message

I am going to be ordering my 2pi kit tonight or this weekend. I was wondering do the kits come with some kind of a binding posts? I was going to order some from parts express if not. I just want to make sure I have everything I need =) Thanks in advance. Phil
