Hi Everyone, I had a great time at the LSAF and meet some really nice folks , heard some great sounding equipment and music. I was really impressed with music by Chris Botti . My ignorance of the excellent stuff he does has now been fixed. I want to thank all the folks who visited us and gave us feedback on the equipment we brought. We listen and learn. Next time, if I can figure out how to do it, I may bring some ESLs instead of the HT type speakers I brought this time. They were the best I could fit into the vehicle.
