Subject: Three Pi push-pull sub plans? Posted by Norris Wilson on Sat, 28 May 2011 18:54:53 GMT View Forum Message <> Reply to Message

Hi Wayne,

I am curious about your push - pull version of the Three Pi subwoofer. Is there a set of plans available for this version of the Three Pi sub?

I would appreciate it if you would send me a copy if the plans are availble?

Thanks for sharing!

Norris
