Drury wrote on Fri, 27 May 2011 23:44I was once at someone's house to celebrate their nice new home theater, complete with real cinema seats! I think they got them from some place that was closing down or refurbishing. It's not what I would go for but at least it was authentic.

Wow, Drury, I guess they have a lot more space in their house (and money) than I do. How many seats and rows did they have?
