Subject: Re: 3 Pi Subwoofer Plans Posted by audiothings on Tue, 31 May 2011 03:38:21 GMT View Forum Message <> Reply to Message

Thank you Wayne.

Sorry I did not understand this part:

Quote:And keeping driver spacing the same (in all three dimensions)

Makes me feel pretty idiotic for asking this, but what are the three dimensions? In the ThreePi speaker plans you have sent me, the position of the woofer and horn is quite clearly defined as far as the placement along the length and width is concerned... what is the third dimension...?
