I didn't go to my first concert until I was 23. My parents were very religious. I saw a few unsigned local bands but my first was HIM. My sweet BF at the time heard they were coming to town and returned the sweatshirt he just bought to buy tickets for us. I didn't know this at the time until I happened to ask him "why don't you wear that new sweatshirt?" It was the sweetest thing anybody has ever done. I fell in love with him that night, They were amazing by the way.
