God, Phnom Penh. I still remember the 1970s when Phnom Penh was in the news all the time.

My father-in-law did three tours in 'Nam (Army grunt), when I asked if he was going to come visit his response was #%% No! Pol Pot did a lot of damage to the country before the Vietnamese finally invaded and removed him from power. Country still seems pretty shakey, but they seem to be coping with their traumatic history.

Hopefully my 24 months in country will be uneventful.
