Subject: NFL Lockout Posted by sonisphere_music on Sun, 17 Jul 2011 18:01:53 GMT View Forum Message <> Reply to Message

The signs suggest that the lockout is nearing an end, but I won't believe it until it's official. It'stoo much pf a shame that their is the possibility that their will be no NFL for a year. I hope a speedy resolution occurs. What are everyone elses thoughts on the lockout?
