Hi Everyone, I really liked the LSAF and got a lot out of meeting all the folks. I just wonder if there are any other similar events out there. I'm not thinking of the major shows and such where the really "big" guys try to outdo each other, smaller friendly ones where everyone can exchange ideas are more what I am looking for. Preferably within a reasonable distance of Arizona. Locally, I am in a literal desert and there are zilch audio enthusiasts here.
