I honestly don't really like to listen to the radio anymore, and I find that when I do listen, it's because of a particular DJ. Do you know of any DJ's that are really good? Here in Atlanta, I like Mara Davis on 92.9, particularly her lunchtime show. She picks a theme every day and plays songs that follow that theme. Lewis Alston on 99X also has a TV show on On Demand. It features local talent and he is just hilarious!
