Subject: Re: New HT - Need Advice on Speakers - 4pis or 7pis for main, 2pis, and what to use for bass Posted by coolgeek on Sun, 04 Sep 2011 06:55:19 GMT View Forum Message <> Reply to Message

BTW: I followed your suggestion in calculating the shipping, but there was an error in your shopping cart:

"An error occured with the UPS shipping calculations.

The maximum per package weight for the selected service from the selected country is 150 pounds."
