Subject: Coupons - are they worth it? Posted by DJ Dave on Thu, 01 Dec 2011 15:37:56 GMT View Forum Message <> Reply to Message

I don't know if "saving" with coupons is such a good idea. I seem to end up buying a lot of junk and things I don't need. True, I pay very little for them, but if I buy 5 things that I don't need, no matter how little the cost, wouldn't I have been better off just buying 1 thing that I did need?
