Subject: Re: Sony Internet TV Player is awesome! Posted by Freddy on Wed, 07 Dec 2011 06:36:04 GMT View Forum Message <> Reply to Message

I agree about NetFlix Wayne, it almost always works fine for me too. I was at my friend's house a while ago and it wasn't working for about half an hour. He was really upset, and said that it should always work since he pays them monthly for it. I thought that was a little unreasonable, but maybe I'm too relaxed about these kinds of things.
