I found that some movies even though they are older are pretty good:Chain reaction, Goodwill Hunting, Fisher King, dark water, Prarie tales,  Tales from the Hood, Galaxy Quest, Dogma, Constantine.Of the new ones  in video releases:Hills Have eyes was really good. The librarian is an awesome movie,For at the movies.. I ahvent seen anything that was worth spending money on.I am waiting for the next Indiana Jones.let us not forget Serenity and the Firefly series.
