I really appreciate the help Wayne and Ron!

I think I have corrected the PM issue and have sent you a PM with my contact data. Since you state you are wanting to use these for a end of year party, I have a pair of JBL 2225H's if you need something that bad quickly.

Tomorrow is my only day I have to help you on this since I have plans the rest of the week!

Call me tomorrow morning if you can....

Regards, Ron
